

WELCOME

Future high school parents and
students.

Graduation

The goal for all EPS students

Graduation is not the
end; it's the beginning.
~*Orrin Hatch*

How many credits do you need to graduate?

- You need 100 credits to graduate. Although this may seem like a large amount you acquire credits all through grades 10-12.

How can you tell if a school is haunted?

If it has a school spirit.

How do you get a credit?

- Its simple, just pass the course!

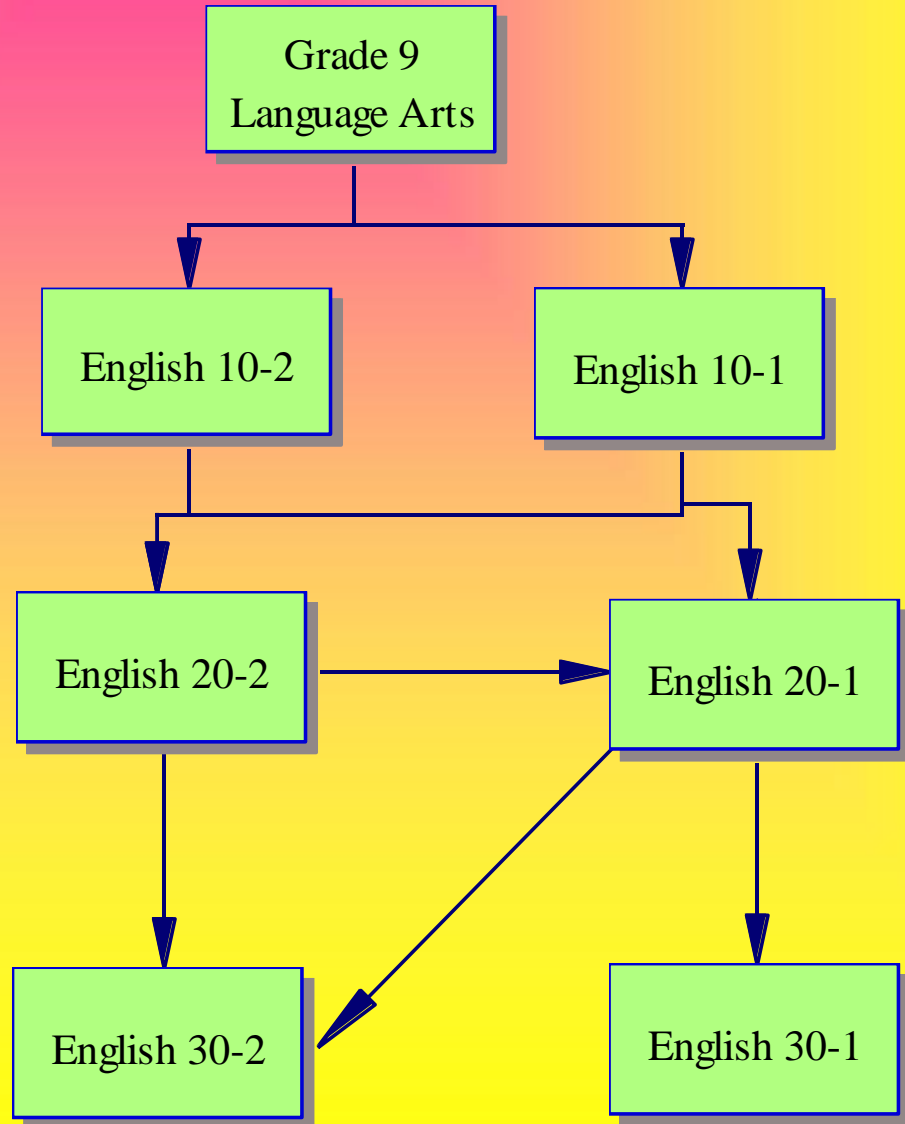

What is a credit?

- For every 25 hours of course time, the student receives 1 credit.
- CTS (Career Technology Studies) courses are usually 1 credit and should take 25hrs to complete.
- P.E. 10 can be 3-5 credits depending on the amount of time the student spends in the class.
- CALM (Career and Life Management) is a 3 credit course and a requirement for grad.
- The Core Subjects: Math, English, Social, and the Sciences are each offered for 5 credits.

English

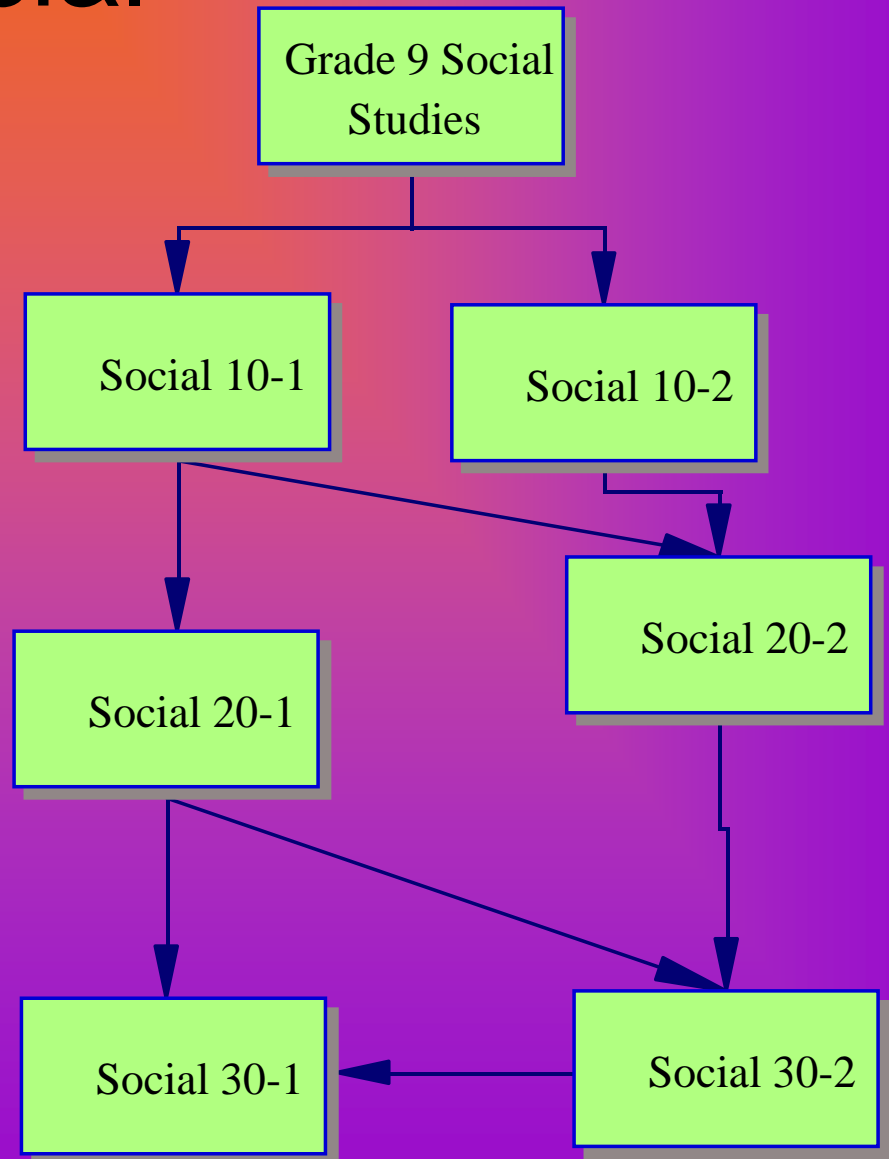

An Ideal Homework Excuse:

Teacher: Where is your homework?

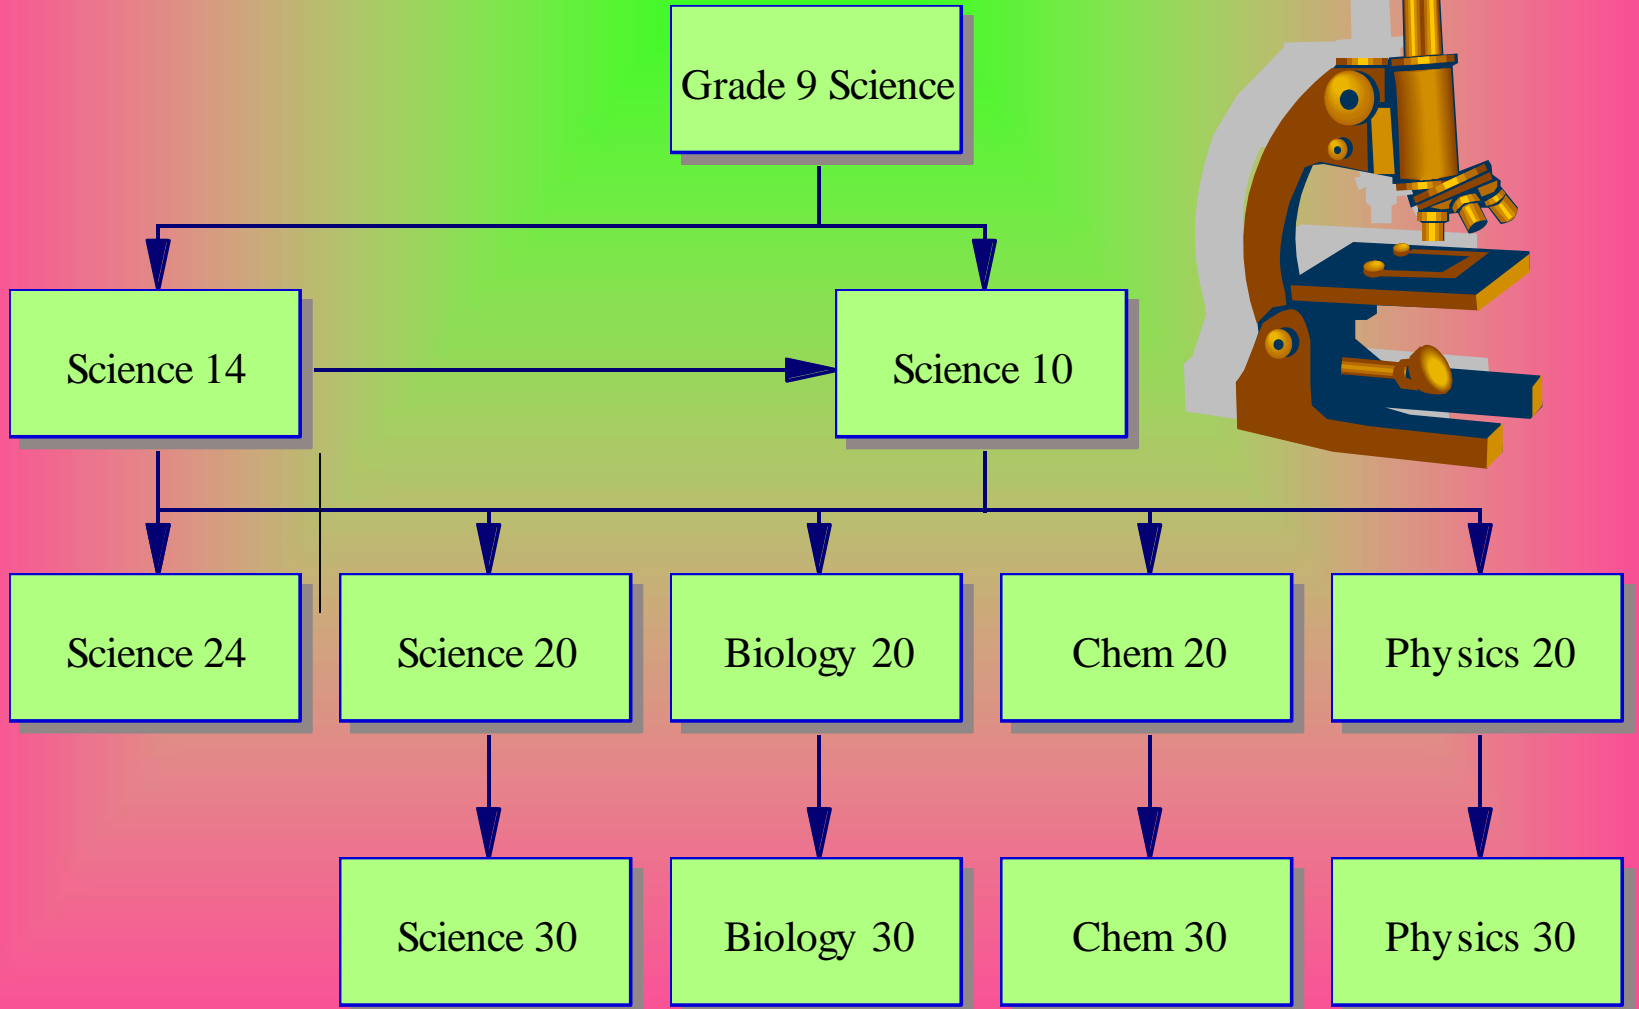

Student: I lost it fighting this kid who said you weren't the best teacher in the school.

Social

*Why were the early days of history called the dark ages?
Because there were so many knights!*

Sciences

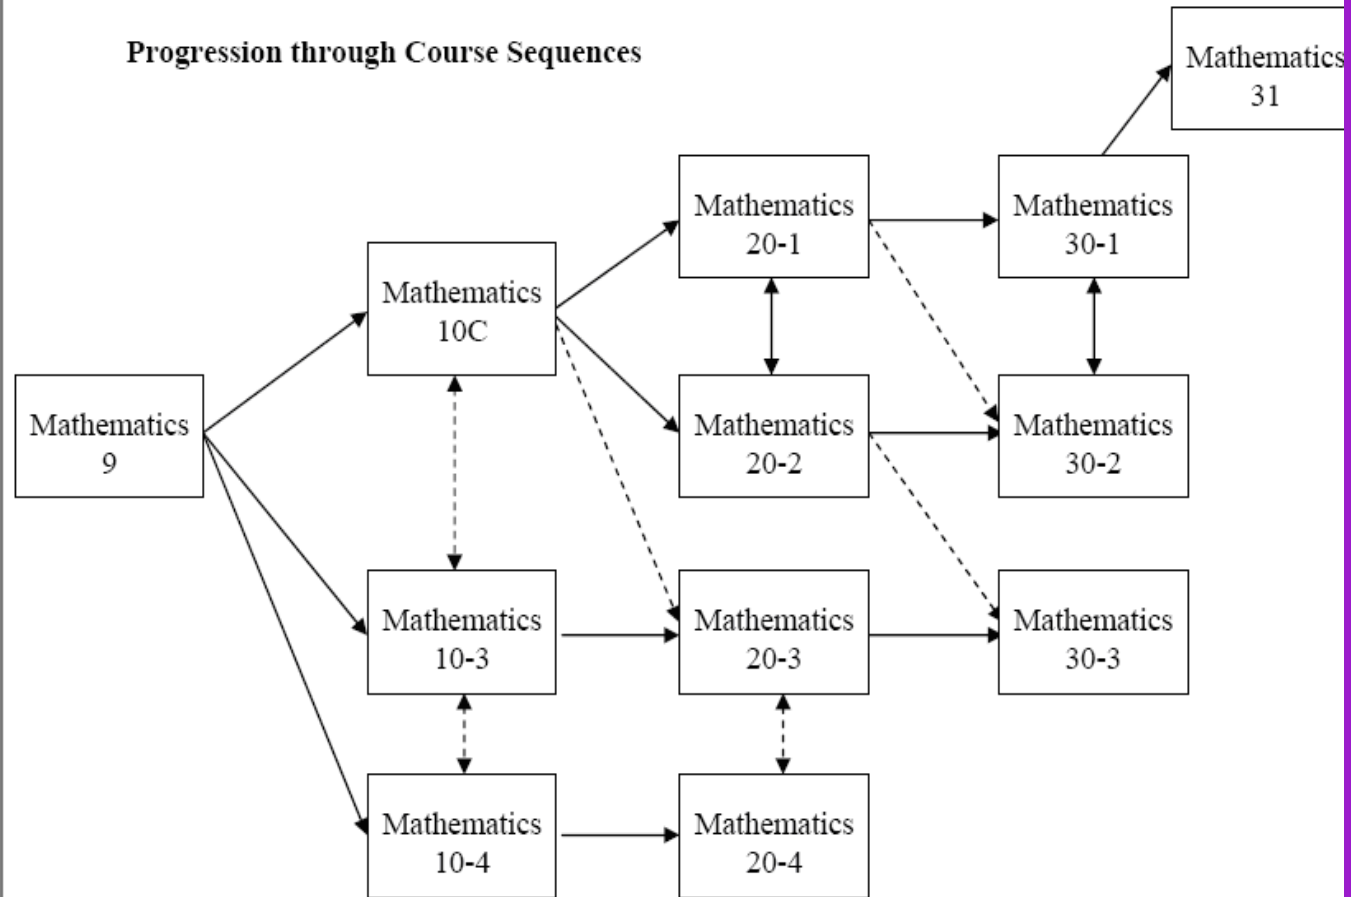

Remember, if you're not part of the solution, you're part of the precipitate!

Math

Why was six afraid of seven?

Because seven, eight, nine.

Progression through Course Sequences

CALM + CTS Requirements

- Career and Life Management -3 credits
- HCS 3000 (Workplace Safety Practices – requirement for Work Experience) 1 credit
- HCS 3010 (Safety Course required for RAP) 1 credit
- AG 3000 (Safety Course required for Green Certificate) 1 credit

Minimum Requirements for Diploma:

English 30-1 or 30-2 (15 credits)

Social 30-1 or 30-2 (15 Credits)

Math 20 (20-3, 20-1, 20-2) (10 Credits)

Science 20 (24, Bio 20, Chem 20, Phys. 20,
Science 20) (10 Credits)

Course 3 at 30 level (5 credits)

Course 4 at 30 level (5 credits)

P.E. 3 credits minimum (usually 5 credits)

CALM 3 credits

CTS 10 credits

Course 3 and 4 at 30 Level Possibilities

Core Subjects

- Math 30-1, 30-2 or 30-3
- Math 31
- Bio 30, Chem 30, Physics 30, and/or Science 30

Other Possibilities

- P.E. 30
- Special Project 35
- Work Experience 35 (can be 10 credits)
- 5 credits of CTS Courses at the 3000 level

The child comes home from his first day at school. Mother asks, "What did you learn today?"

The kid replies, "Not enough. I have to go back tomorrow."

EPS Course Rotation

In order to offer our High School students the opportunity to take all sciences and maths, we need to rotate which courses are offered each year. This is the rotation for the next two school years.

2020-2021

Biology 20 (Semester 1)

Physics 20 (Semester 1)

Math 20-1 (Semester 1)

Biology 30 (Semester 2)

Physics 30 (Semester 2)

Math 30-1 (Semester 2)

2021-2022

Chemistry 20 (Semester 1)

Science 20 (Semester 1)

Math 20-2 (Semester 1)

Math 20-3 (Semester 1)

Chemistry 30 (Semester 2)

Science 30 (Semester 2)

Math 30-2 (Semester 2)

Math 30-3 (Semester 2)

Requirements for University

- You need **5** of the following courses:

English 30-1 (a must)

Social 30 -1

Math 30 or Math 31

Biology 30

Chemistry 30

Physics 30

Science 30

French/Russian or another language 30

Phys Ed. 30*

*Only accepted for faculty of Physical Education and Recreation.

Requirements for Trades

- Each trade has different requirements and needs to be researched. If a student is interested in the trades, s/he should consider RAP
- RAP (Registered Apprenticeship Program) is a way for registered high school students to become apprentices, and earn credits toward an apprenticeship program and a high school diploma at the same time.

RAP

Registered Apprentice Program

- Students in grade 10 can take RAP in the summer.
- The employer signs a student on for work experience for 125 hours
- When the student and employer both agree to a RAP, the RAP begins
- The person training the students must be a ticketed trades person in the field.
- A student can receive up to 40 credits in a RAP, including 30 level courses.
- RAP can be done after school and weekends, half days or for half a semester.

Green Certificate

- **Students who live on a farm, or who are interested in farming and can find someone willing to teach them may sign up for this course.**
- **Taken after school hours.**
- **Can attain up to 16 credits.**
- **Tests are in Vermillion**
- **Students must have AG 3000 in order to begin the program**
- **There is a fee paid to the school to begin the program. Upon completion of the courses, the fee is paid back to the student.**

Education Pathways

CTS Courses

- Consists of the Child Care courses which are self study.
- Incorporates a work experience which must be in the classroom. The student is not a teacher's assistant at this time but is responsible for creating a lesson plan and presenting at least one lesson.

SCHOLARSHIPS

A non-repayable sum of money awarded to a student to help further finance education.

Alexander Rutherford High School Achievement Scholarship

Grade 10 Average of 75% to 79.9% in 5 subjects -	\$300*
Grade 11 Average of 75% to 79.9% in 5 subjects -	\$500*
Grade 12 Average of 75% to 79.9% in 5 subjects -	<u>\$700*</u>
Total	\$1500
Grade 10 Average of 80% or higher in 5 subjects -	\$400
Grade 11 Average of 80% or higher in 5 subjects -	\$800
Grade 12 Average of 80% or higher in 5 subjects -	<u>\$1300</u>
Total	\$2500

Grade 10

Rutherford Scholarship

Average of 75% to 79.9% in 5 subjects - \$300*

Average of 80% or higher in 5 subjects - \$400

- One of : English 10-1, 10-2, Francais 10, 13, or 10-2
- At least two of the following:
 - Math 10 Pure or Math 10 Applied
 - Science 10,
 - Social Studies 10, 10-1, 10-2
 - A language other than the one used above at the Grade 10 level, and
 - Any two courses with a minimum three credit value at the grade 10 level including those listed above and combined intermediate CTS courses.

The End

Thanks for Attending the Meeting!
